(d) General Limitations on Powers. In limitation of the powers and duties delegated to the Association in the By-laws or this Master Deed, the Association shall be

(v) Increase the annual budget of the Association by more than 10% of the annual budget for the immediately preceding fiscal year (except that the Board shall not need Majority Approval of the Association to increase the annual budget to cover costs beyond the reasonable control of the Board, such as insurance).

(c) Rules. In addition to the use restrictions contained in this Master Deed and regardless of whether expressly contemplated herein, the Association shall have the power to adopt from time to time rules and regulations governing the use of the Common Elements and such other matters as the Association reasonably determines, provided that such rules and regulations shall not be inconsistent with this Master Deed (the "Rules"). No Rule may be adopted that would unreasonably interfere with or inhibit the operation of a Business in a Commercial Unit, so long as the Business is in compliance with this Master Deed and is compatible with the residential nature of the Property. The Rules shall have the same force and effect as if set forth herein. A copy of the Rules shall be retained by the secretary of the Association and shall be available for inspection by any Unit Owner during reasonable business hours.

(f) Managing Agent. The Board may, but shall not be required to, contract with an experienced professional management company to assist the Board in the management and operation of The Market Street Loft Condominiums and may delegate such of its powers and
duties to the management company as it deems to be appropriate except as limited herein. Any contract with a management company, or any other contract to provide for services, shall have a term no longer than one (1) year (but may be renewable by agreement of the parties for successive one year periods) and shall be terminable by the Board without payment of a termination fee, with or without cause.

(g) **Indemnification.** The Association shall indemnify every officer, director, and committee member against all expenses, including counsel fees, reasonably incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he or she may be a party by reason of being of having been an officer, director, or committee member. The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or commitment made or action taken in good faith on behalf of the Association. The Association shall indemnify and forever hold each such officer, director and committee member harmless from any and all liability to others on account of any such contract, commitment or action. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any present or former officer, director, or committee members may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

(h) **Nonliability.** Neither the Association nor the Board, and its members, officers or persons serving on a board-appointed committee shall be liable to any Unit Owner or to any other Person for any loss, damage or injury arising out of or resulting from their acts and omissions in performance of their respective powers and duties under this Master Deed.

5. **OWNERSHIP OF THE UNITS AND APPURTEAENT PERCENTAGE INTERESTS IN THE COMMON ELEMENTS.** Each Unit shall be conveyed and treated as an individual property capable of independent use and fee simple ownership. Each Unit Owner shall, as an appurtenance to the ownership interest in each Unit, be entitled to the undivided Percentage Interest of ownership in the Common Elements allocated to the respective Unit by the Board, as set forth in **Exhibit "B"**. Such undivided Percentage Interest has been computed utilizing the Unit Square Footage Method and shall remain constant unless hereafter diminished or otherwise changed, adjusted or reallocated by amendment to this Master Deed. Said ownership interest in the Common Elements shall be an undivided interest, and the Common Elements shall be owned by the Unit Owners as tenants in common in accordance with their respective Percentage Interests. Except as provided in this Master Deed, the ownership interest in the Common Elements shall remain undivided, and no Unit Owner shall bring any action for partition or division of the Common Elements, and any agreement or covenant to the contrary shall be void. The undivided interest in the Common Elements declared to be an appurtenance to each Unit shall not be conveyed, devised, encumbered or otherwise dealt with separately from said Unit. The ownership of each Unit shall not be conveyed, transferred, encumbered or otherwise affected separate from the undivided percentage ownership in the Common Elements corresponding to said Unit. The undivided percentage ownership in the Common Elements
corresponding to any Unit shall be deemed conveyed, transferred, encumbered or otherwise affected with that Unit, even though the legal description in the instrument conveying, transferring, encumbering or otherwise affecting said Unit may refer only to the fee title to that Unit and not expressly mention or describe the percentage ownership in the Common Elements corresponding to that Unit. Notwithstanding anything to the contrary herein, the Limited Common Elements shall be an appurtenance only to the Units which they serve, and only the Unit Owners of the served Units shall have an undivided percentage ownership interest in such Limited Common Elements, with the Percentage Interest being apportioned amongst all Unit Owners served by the Limited Common Elements.

6. **USE OF LIMITED AND GENERAL COMMON ELEMENTS.** Each Unit Owner and/or Occupant shall have the right to use the Common Elements (except for the Limited Common Elements and further except for any portion of the Property subject to leases, easements, licenses, and concessions made by or assigned to the Board) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of a Unit or the Property. Subject to Rules adopted by the Association or the Board, such right to use the Common Elements shall extend to not only each Unit Owner and/or Occupant of a Unit, but also their agents, tenants, family members, invitees and licensees. However, the Limited Common Elements designated as serving exclusively a single Unit or one or more adjoining Units are hereby assigned to such Unit or Units and the exclusive use and possession of such Limited Common Elements are reserved to the Unit Owners and Occupants of such Unit or Units. Such rights to use the Common Elements, including the Limited Common Elements, shall be subject to and governed by the provisions of the Act, Master Deed, By-laws and rules and regulations of the Association.

7. **COMMON EXPENSES AND ASSESSMENTS; LIEN PRIORITY.**

(a) **Prorata Sharing: Assessments.** Each Unit Owner shall be liable for its proportionate share of the Common Expenses, and the proportionate share of the Common Expenses for each Unit Owner shall be in the same ratio as his Percentage Interests in the Common Elements. The Association may impose Assessments upon Units and Unit Owners in such amounts and at such times as determined by the Board, in accordance with the By-laws, for purposes of paying Common Expenses, providing reserves for Common Expenses or for any other reasonable purpose determined by the Board or the Association. The monthly assessment payable with respect to each Unit may be adjusted by the Board as permitted in this Master Deed and the By-laws with such adjustments (whether upward or downward) being customarily implemented by the Board at the beginning of the Association’s next fiscal year. No Unit Owner shall be exempt from payment of any Assessment or any proportionate share of the Common Expenses by waiver or non-use or non-enjoyment of the Common Elements or by abandonment of his Unit, and such Assessments and proportionate share of the Common Expenses are a personal obligation of the Unit Owner for which such Unit Owner shall have personal liability.

(i) **Regular Assessments.** Prior to the beginning of each fiscal year, the Board shall prepare a budget covering the estimated Common Expenses to be incurred by the Association during such year in performing its functions under this Master Deed and the Charter and By-laws of the Association, including a reasonable provision for contingencies, less any expected income and any surplus
from the prior year's fund. A Regular Assessment sufficient to pay such estimated net Common Expenses shall then be levied against all. If the sums collected prove inadequate for any reason, including nonpayment of any Special or Specific Assessments, the Board may, at any time and from time to time, levy Special Assessments to make up for such deficiency.

(ii) Special Assessments. In addition to the Regular Assessments authorized above, the Board may establish, levy and collect Special Assessments against the Units as follows:

(1) for the purpose of the defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair, replacement or addition of capital improvements for Common Elements, including the necessary fixtures and personal property related thereto, subject to the limitations of the powers of the Board set forth herein;

(2) to cover unbudgeted Common Expenses or Common Expenses in excess of those budgeted as part of the Regular Assessments under Section 6.3 above; or

(3) to enable the Board to carry out the functions of the Association under this Master Deed and under the Charter and By-laws of the Association.

(iii) Specific Assessments; Commercial Unit Expenses. The Board shall have the power to levy Specific Assessments against a particular Unit or Units constituting less than all Units within the Property as follows:

(1) To cover costs of maintenance, repair, or replacement of Limited Common Elements servicing the Unit(s) subject to the specific assessment.

(2) to cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Unit or occupants thereof upon request of the Unit Owner pursuant to a menu of special services which the Board may from time to time authorize to be offered to Unit Owners (which might include, without limitation, handyman service, pest control, etc.), which Assessments may be levied in advance of the provision of the requested benefit, item or service as a deposit against charges to be incurred by the Unit Owner.

(3) to cover costs incurred in bringing the Unit into compliance with the terms of this Master Deed, any applicable Supplemental Master Deed, the By-laws or Rules, or costs incurred as a consequence of the conduct of the Unit Owner or occupants of the Unit, their licensees, invitees, or guests; provided, the Board shall give the Unit Owner prior written notice and an opportunity for a hearing before levying a Specific Assessment under this subsection (b).
(4) Because Common Expenses associated with maintenance, repair and upkeep of certain Common Elements more closely associated either with the Commercial Units or with the Residential Units (such as lobbies, entry-ways, décor, parking areas) may more greatly impact one type of Unit than the other (for reasons of the level of use and human traffic, the level of finish quality, the type of services being provided, etc.) the Association shall use its best efforts to allocate equitably and fairly any such extraordinary expenses between the Commercial Units or the Residential Units (whichever is more greatly benefited, as the case may be), including through the use of Specific Assessments. Any such Specific Assessments shall be based on actual costs incurred by the Board.

(b) Liens.

(i) Lien for Assessments. Effective upon the Recording of this Master Deed there is then and thereafter a lien attached against each and every Unit for each and every Unit’s Assessments and share of Common Expenses (and late fees, interest, and costs associated therewith), both payable and to be paid and whether or not any delinquency exists as of the time of Recording this Master Deed. If any Unit Owner shall fail or refuse to make any such payment of the Assessments or Common Expenses within ten (10) days of receipt of notice of such delinquency or within twenty (20) days of mailing of notice of such delinquency, whichever shall occur first, the amount thereof, together with such accelerated amounts as are provided in the By-laws, and together with late charges and interest in the amounts set forth in the By-laws or the rules and regulations of the Association, and together with all expenses, including attorneys’ fees incurred by the Board in any proceeding brought to collect such unpaid amounts, shall be obligations of the Unit Owner and shall, without the necessity of Recording any lien instrument, automatically be enforceable as a lien in favor of the Association, enforceable by the Board, on the interest of such Unit Owner in the Property and his Unit; provided, however, that the Board, at its option, may Record a notice of such lien to provide public notice of its existence, and such notice of lien shall relate back to the date of Recording this Master Deed. The Board may assess the costs of Recording all liens against the associated Unit Owner. The Board may enforce a lien for Assessments or Common Expenses in accordance with the provisions of this Master Deed titled “Remedies,” or as otherwise herein provided.

(ii) Priority with Institutional Lender. Any lien in favor of the Association for Assessments or Common Expenses (and late fees, interest, and costs associated therewith), which lien, for the purposes of this Master Deed and the By-laws, shall be deemed to attach on the date of Recording this Master Deed, shall be subordinate to the lien of any First Mortgage held by an Institutional Lender, provided that such First Mortgagee has requested an estoppel certificate as required by Section 7(b) hereof and further provided that all outstanding and unpaid Assessments or Common Expenses associated with the Unit are paid and brought current prior to Recording such First Mortgage. If such First Mortgagee obtains title to a Unit or any other interest in the Property by reason of foreclosure
or deed in lieu of foreclosure, such First Mortgagee, its successors or assigns, shall take such Unit or other interest in the Property free of any claims for unpaid Assessments or Common Expenses, except for the amount of said Assessment or proportionate share of such Common Expenses which becomes due and payable from and after the date on which such First Mortgagee either takes possession of the Unit or the interest encumbered by such First Mortgage, or accepts a conveyance, transfer or assignment of the Unit or of any interest therein (other than as security) in lieu of any foreclosure of such First Mortgage, or forecloses or files suit to foreclose its First Mortgage or causes a receiver to be appointed to take possession of the Unit. Notwithstanding the foregoing, upon foreclosure of a Unit any proceeds realized in excess of the amount necessary to pay off the First Mortgage shall then be applied towards any lien for Assessments or Common Expenses until same are brought current. This Section shall not prevent the Association from enforcing any rights to which it is entitled against the prior Unit Owner. The priority given to certain First Mortgagees by this provision shall not be amended, modified or rescinded without Lender Approval. Notwithstanding anything to the contrary contained in this Master Deed, no Mortgage (whether a First Mortgage or otherwise) shall have priority over a lien for Assessments and Common Expenses if the Board or the Association has Recorded, separately from this Master Deed, a notice of lien for an actual delinquency prior to the recording of such Mortgage.

(iii) Priority with Non-Institutional Lender and Second Mortgages. The lien hereby created for Assessments and/or Common Expenses (and late fees, interest, and costs associated therewith), regardless of when or whether a separate notice of lien for an actual delinquency is Recorded, shall not be subordinate to but shall have priority over both any First Mortgage that is not held by an Institutional Lender and any Mortgage other than a First Mortgage, and any such Lender’s interest in the Unit(s) shall be subject to the lien for Assessments and Common Expenses and upon foreclosure or any transfer in lieu of foreclosure the proceeds from same shall first be used to remove, by payment in full, the lien for Assessments and Common Expenses.

(iv) Removal of Liens Upon Transfer or Refinancing. Upon any sale, transfer, or other conveyance of a Unit, or upon the refinancing of any debt secured by a Mortgage encumbering a Unit, the Unit Owner is hereby required to remove, by payment in full, any and all liens for Assessments and Common Expenses encumbering the Unit, and the Board is hereby authorized, without liability, to intervene into any such sale or refinancing to ensure compliance with this provision. If a Unit Owner fails to remove, by payment in full, any and all liens for Assessments and Common Expenses encumbering a Unit then such lien shall continue to encumber the Unit and the purchaser or transferee shall become liable for the unpaid amounts.

(c) Estoppel Certificates; Collection. A Unit Owner shall have the right to acquire from the Board an estoppel certificate showing the amount of unpaid Assessments or Common Expenses with respect to his Unit. Any Lender accepting a Mortgage against a Unit
must request from the Board an estoppel certificate showing the amount of unpaid Assessments or Common Expenses with respect to such Unit prior to accepting the Mortgage. In the case of a First Mortgage held by an Institutional Lender, requesting such an estoppel certificate from the Board is hereby declared to be a condition precedent to obtaining priority over any liens, whether or not Recorded or then existing, for Assessments or Common Expenses. The Association may not enforce against a Lender who relies on such certificate any indebtedness as of that date in excess of the amount shown thereon. A purchaser of a Unit shall have the right to acquire from the Association an estoppel letter effective on the date of closing of the Unit, showing the amount of unpaid Assessments or Common Expenses with respect to the Unit and any such unpaid amounts shall, if not paid prior to closing, remain as an encumbrance against the Unit and the purchaser of the Unit shall as of closing, be jointly and severally liable with the transferor for such amounts. In addition the Board, upon request of a Unit Owner or a prospective purchaser of a Unit, shall prepare and deliver a letter stating either that there are no delinquent or unpaid Assessments, fees or other obligations outstanding in respect to such Unit, or enumerating any outstanding and unpaid delinquent Assessments, fees and other obligations. The Association shall have the right to exercise and to enforce any and all rights and remedies as provided or available at law or in equity for the collection of unpaid Assessments or other obligations owing to the Association by its former Unit Owners.

(d) Capital Reserve Fund. The Board may establish reserve funds (“Reserve Fund”) for the improvement or replacement of Common Elements to be funded by Assessments.

(e) Assessments Paid in Advance Upon Purchase. Upon the purchase of a Unit the purchaser shall pay to the Association his first two (2) months Assessments in advance. The closing agent administering the purchase/sale is hereby directed to collect this amount at closing and to disburse such amount to the Association; however if such closing agent fails to adhere to this subsection, the Association may immediately collect such amount from the purchaser. In order to facilitate this advance payment of Assessments, all Unit owners must notify the Association in writing of a pending sale of a Unit not less than five (5) days prior to such sale.

(f) Applicability of Assessments to Units Owned by Developer. Notwithstanding anything to the contrary herein contained, (i) Residential Units owned by Developer shall not be subject to Assessments of any nature, and (ii) each Commercial Unit owned by Developer shall only be subject to Assessments after such time as Developer enters into a lease for any such Commercial Unit with a third party for the use and occupancy thereof.

8. **MORTGAGES AND OTHER LIENS.**

(a) Liens on Units and Property. Each Unit Owner shall have the right, subject to the provisions herein, to make or create, or cause to be made or created, one or more Mortgages or other liens on or affecting his respective Unit together with his respective ownership interest in the Common Elements, provided however that, from the date this Master Deed is Recorded, no Unit Owner shall have the right or authority to make or create, or cause to be made or created, any Mortgage or other lien on or affecting the Property or any part thereof, except to the extent of his own Unit and the respective percentage interest in the Common
Elements appurtenant thereto. If requested by the Association, a Unit Owner must provide the name of any and all Lenders holding a Mortgage against his Unit(s).

(b) Mechanic’s Liens. Subsequent to the Recording of this Master Deed, no liens of any nature shall be created or arise against any portion of the Property except liens against any individual Unit or Units and except liens created by Developer or the Association in the development of the Property and the reconstruction of or repairs to the Building Units or Common Elements. No labor performed or materials furnished with the consent or at the request of a particular Unit Owner shall be the basis for the filing of a mechanic’s lien claim against any Unit other than the Unit on which the labor was performed or to which materials were furnished. If the performance of the labor or furnishing of the materials is expressly authorized by the Board, each Unit Owner shall be deemed to have expressly authorized and consented to such performance of labor and furnishing of materials, and each Unit Owner shall be liable for the payment of his Unit’s proportionate share of any due and payable indebtedness, as set forth in the Act.

9. SEPARATE REAL ESTATE TAXES. Real estate taxes, special assessments, and any other special taxes or charges of the State of Tennessee or of any political subdivision thereof, or other lawful taxing or assessing body, which are authorized by law to be assessed and levied upon real property, shall be separately assessed upon each Unit, and its corresponding Percentage Interest in the Common Elements, as provided in the Act. In the event that such taxes, special assessments or charges for any year are assessed and levied upon the Common Elements, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective Percentage Interest in the Common Elements and in said event such taxes shall be a Common Expense. Without limiting the authority of the Board provided for elsewhere herein, the Board acting on behalf of all Unit Owners shall have the power to seek relief from or to collect from the Unit Owners their proportionate shares of any such taxes, special assessments or charges, whether assessed and levied on each Unit separately or on the Property as a whole, and to charge and collect all expenses incurred in connection therewith as a Common Expense.

10. INSURANCE. The expense of all insurance maintained by the Association shall be a Common Expense.

(a) Hazard Insurance. The Board shall have the authority to and shall obtain insurance for the Property, including the Common Elements, but exclusive of Units, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard “all-risk” coverage provisions, for the full insurable replacement cost of same, as a Common Expense, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the foregoing to substantially the same condition in which they existed prior to damage or destruction; except that neither the Association nor the Board shall be obligated to insure against lost rental income of any Unit Owner. Insurance coverage maintained by the Board or the Association shall be written in the name of the Association, for the benefit of each of the Unit Owners in direct ratio to said Unit Owner’s respective percentage of ownership interest in the Common Elements, as set forth in the Master Deed, and for the holders of Mortgages on each Unit, if any. Each such policy of insurance shall also contain, if possible, a waiver of subrogation rights by the insurer against the Association, its employees and agents, and against individual Unit Owners, their servants, agents
and guests. Each such policy also shall contain, if possible, a waiver of any rights of the insurer to contributions from hazard insurance purchased by a Unit Owner covering the contents and furnishings of his Unit. The Board shall notify all Persons insured under such policy in the event of any cancellation thereof.

(b) **Liability Insurance.** The Board shall have authority to and shall obtain comprehensive public liability insurance, in such amounts as it deems desirable, and worker’s compensation and other liability insurance as it deems desirable, insuring the Unit Owners (except as limited in this subsection), individually and severally, any mortgagee of Record, the Association, its officers, Directors and the Board, and the Managing Agent, if any, and their respective employees and agents and all Persons acting as their respective agents, against liability in connection with the ownership, existence, use or management of the Property. The Unit Owners shall be included as additional insureds but only with respect to the Common Elements. Each such policy of insurance shall cover claims of one or more insured parties against other insured parties and shall also contain a waiver of subrogation rights by the insurer against such insured Persons or entities. Each such policy also shall contain, if reasonably possible in the determination of the Board, a “severability of interest” endorsement which shall preclude the insurer from denying the claim of a Unit Owner because of negligent acts of the Association or any other Unit Owner.

The comprehensive public liability insurance shall cover all the Common Elements, public ways and commercial spaces owned by the Association whether or not the same are leased to a third party. Coverage shall be for at least $2,000,000 for bodily injuries, including deaths of persons, in any single occurrence, $300,000 for property damage arising out of a single occurrence and $3,000,000 annual aggregate. Coverage under this policy shall include, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Elements, and legal liability arising out of lawsuits related to employment contracts of the Association. Such policies must provide that they may not be canceled or substantially modified by any party without at least ten (10) days prior written notice to the Association and to each holder of a First Mortgage which is listed as a scheduled holder of a First Mortgage in the insurance policy.

(c) **Fidelity Insurance.** The Board shall have authority to and may obtain fidelity coverage to protect against dishonest acts on the part of officers, Directors, trustees, and employees of the Association and all others who handle or are responsible for handling funds of the Association, including the Managing Agent. Such insurance shall name the Association as the insured and shall be in an amount sufficient to provide protection which is in no event less than one and one-half times the Association’s estimated annual operating expenses and reserves.

(d) **Other Insurance.** The Board shall also have authority to and may obtain such insurance and for such amounts as it deems desirable, including without limitation, directors’ and officers’ liability insurance for the Board and officers of the Association, and to increase insurance limits in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officer of the Association, and each member of any committee appointed pursuant to the By-laws of the Association against
liability arising from the fact that said person is or was a Director or officer of the Association, or a member of such a committee.

(e) Flood Insurance. If the Property is located in an area identified by the U.S. Secretary of Housing and Urban Development or his successor as an area having special flood hazards and flood insurance has been made available under the National Flood Insurance Act of 1968, and if such insurance is available for the Property, the Board shall obtain a “blanket” policy of flood insurance on the Property in an amount which is the lesser of the maximum amount of insurance available under the Act or the aggregate of the unpaid principal balances of the first Mortgages on the Units comprising the Property.

(f) Miscellaneous Coverage. The Board shall also have authority to and may obtain such other insurance as the Board deems desirable or necessary for the Property or any aspect of the ownership, operation or management thereof, in such amounts, from such sources and in such forms as the Board deems desirable.

(g) Insurance Policy Provisions. The Board in its sound business judgment, shall consider obtaining insurance with the following provisions or endorsements:

(i) That the exclusive authority to adjust losses with insurers under policies in force on the Property shall be vested in the Board;

(ii) That in no event shall the insurance coverage obtained and maintained by the Board hereunder be brought into contribution with insurance purchased by Unit Owners or their respective mortgagees;

(iii) That each Unit Owner may obtain additional insurance at his own expense;

(iv) That there be a waiver of subrogation by the insurer as to any claims against the Board, Unit Owners, and their respective members of the household, lessees, servants, agents and guests;

(v) That the insurance cannot be canceled, invalidated or suspended because of the conduct of any one or more Unit Owners, or their respective members of the household, lessees, servants, agents and guests;

(vi) That the master policy on the Property cannot be canceled, invalidated, or suspended because of the conduct of any officer or employee of the Board or the Association or their agents without prior demand in writing that the Board or its agents cure such conduct and the same is not cured within thirty (30) days thereafter;

(vii) That any “no other insurance” clause in the master policy for the Property not apply to policies placed by Unit Owners covering their respective Units;
(viii) That the hazard insurance includes the increased cost of reconstruction resulting from building code upgrades.

(h) **Unit Owners’ Insurance.** Each Unit Owner shall be responsible for obtaining, at his option, his own (i) property insurance covering the Unit, the contents of his own Unit, and personal property therein, and personal property stored elsewhere on the Property, (ii) liability insurance covering bodily injury, including death, and damage to property that results from actions, events, or circumstances occurring within his Unit, including but not limited to water damage resulting from a leak, defect, or malfunction originating other than from a Limited Common Element, (iii) insurance against personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for all of the Unit Owners as part of the Common Expenses, as above provided, except that no Unit Owner shall be entitled to exercise his right to maintain insurance coverage in such a way as to decrease the amount that the Board, on behalf of all of the Unit Owners, may realize under any insurance policy which the Board may have in force on the Property at any particular time, and (iv) rental loss or other business income loss insurance.

(i) **Insurance Trust.** All physical damage insurance policies purchased by the Board shall be for the benefit of the Association, the Unit Owners, and their Lenders, as their interests may appear, and shall provide that the proceeds thereof shall be paid in trust to the Insurance Trustee designated or to be designated for that purpose by the Board.

The Board shall enter into an insurance trust agreement with the Insurance Trustee ("Insurance Trust Agreement") which shall provide that the Insurance Trustee shall not be liable for payment of premiums, the renewal of the policies, the sufficiency of the coverage, the form or contents of the policies, the correctness of any amounts received on account of the proceeds of any insurance policies nor for the failure to collect any insurance proceeds. The sole duty of the Insurance Trustee shall be to receive such proceeds as are paid to it and to hold the same in trust for the purposes elsewhere stated in this Master Deed and the By-laws, for the benefit of the insureds and their beneficiaries thereunder. The Board shall pay, as a Common Expense, a reasonable fee to the Insurance Trustee for its services rendered in such capacity, and shall pay the costs and expenses which said Insurance Trustee may incur in the performance of any duties or obligations imposed upon it in such capacity. Said Insurance Trustee shall be liable only for its willful misconduct, bad faith, or gross negligence, and then only for such money which comes into the possession of said Insurance Trustee. Whenever the Insurance Trustee may be required to make distribution of insurance proceeds to Unit Owners and their Lenders, as their respective interests may appear, or to any other party for repair, replacement or reconstruction of property, the Insurance Trustee may rely upon a Certificate of the President or Secretary of the Association, executed under oath, which Certificate will be provided to said Insurance Trustee upon request of said Insurance Trustee made to the Board, such Certificate to certify unto said Insurance Trustee the name or names of the Unit Owners of each Unit, the name or names of each Lender that may hold a Mortgage encumbering each Unit, and the respective percentages of any distribution which may be required to be made to the Unit Owner of any Unit and such Unit Owner’s respective Lenders as his or their respective interests may appear, or to certify the name or names of the party or parties to whom payments are to be made for repair, replacement or reconstruction of property. In the event any insurance proceeds are paid to the
Insurance Trustee for any fire or casualty loss, a Lender shall not have the right to determine or participate in the determination of repair or replacement of any loss or damage, and shall not have the right to elect to apply insurance proceeds to the reduction of any Mortgage or Mortgages, unless such insurance proceeds are to be paid or distributed directly to the Unit Owners and their respective Lenders, as herein authorized.

Notwithstanding any provision herein set forth to the contrary, with respect to any single loss, if the loss or damage has been established as being $100,000 or less, regardless of the amount which may be available under any applicable insurance policy or policies to pay for the repair, replacement and/or reconstruction of the property lost or damaged, then all such proceeds shall be paid to the Board to be applied pursuant to the terms contained herein, as more particularly set forth in subsection 11(e). The Board is hereby irrevocably appointed the trustee for each Unit Owner, each Lender, other named insureds and their beneficiaries and any other holder of a lien or other interest in the Property to file proofs of loss and to adjust and settle all claims arising under insurance policies purchased by the Board and to execute and deliver releases upon the payment of claims. All such action by the Board shall be binding upon each Unit Owner, each Lender, other named insureds and their beneficiaries, and any other holders of a lien or other interest in the Property.

(j) **Selection of Insurance Companies.** The Board shall have the right to select the insurance company or companies with whom insurance coverage may be placed and shall have the right to designate the Insurance Trustee, and all parties beneficially interested in such insurance coverage shall be bound by the selection so made from time to time, provided that the companies selected shall have a minimum Best’s Key Rating Guide rating of A- and shall be licensed to do business in Tennessee.

(k) **Mortgage Rights.** No provision contained herein shall give a Unit Owner or any other party (except the Association, in the case of liens for unpaid Assessments and Common Expenses) priority over a First Mortgagee holding a First Mortgage of a Unit in the event of a distribution to Unit Owners of the insurance proceeds covering losses from damage or destruction to a Unit, Units or the Common Elements.

11. **CASUALTY LOSSES.**

(a) **Election to Reconstruct.** In the event of a casualty loss causing damage solely to the Common Elements, the damaged Common Elements shall be reconstructed or repaired pursuant to the terms of this Master Deed. In the event of a casualty loss rendering untenantable two-thirds (2/3) or less of the Units, then the damaged Units and Common Elements shall be reconstructed or repaired pursuant to the terms of this Master Deed. In the event of a casualty loss rendering untenantable more than two-thirds (2/3) of the Units, the damaged Units and Common Elements shall not be repaired or reconstructed, and the horizontal property regime declared by this Master Deed shall be terminated, unless the Association obtains Two-Thirds Approval to have such repairs and reconstruction completed and to continue the horizontal property regime declared by this Master Deed.

(b) **Proceeds from Association Insurance.** In the event of the loss of or damage to the Property, or any portion thereof, which loss or damage is required to be covered
by the fire and casualty insurance maintained by the Board pursuant to Section 10 of this Master Deed, the insurer shall pay insurance proceeds to the Insurance Trustee to cover such loss or damage, and the Board shall apply such proceeds, in conjunction with the Insurance Trustee, to the repair, replacement or reconstruction of the loss or damage. If the insurance proceeds are in excess of the cost of the repair, replacement or reconstruction, then such excess insurance proceeds shall be paid by the Insurance Trustee to the Board for the benefit of the Association with such proceeds to be placed in the Reserve Fund. If it appears that the insurance proceeds covering the fire and casualty loss or damage payable to the Insurance Trustee are insufficient to pay for the repair, replacement or reconstruction of the loss or damage, or that the insurance proceeds when collected will be insufficient, then the Board shall deposit with the Insurance Trustee, a sum which, together with the insurance proceeds received or to be received, will enable the Insurance Trustee to completely pay for the repair, replacement or reconstruction of any loss or damage. The monies deposited by the Board with the Insurance Trustee may be paid by the Board out of its Reserve Fund, and if the sum in such Reserve Fund is insufficient, then the Board shall levy and collect a Special Assessment against all of the Unit Owners in an amount which shall provide the funds required to pay for said repair, replacement or reconstruction. Notwithstanding the foregoing, in the event of a casualty loss whereupon the Units and Common Elements are not rebuilt or repaired, any insurance proceeds payable to the Association shall be disbursed by the Board to the Unit Owners on a pro-rata basis, subject to the Association’s application of such proceeds to the costs and expenses of administering the casualty loss and terminating and winding down the horizontal property regime.

(c) **Proceeds from Insurance Maintained by Unit Owners.** Unit Owners shall be individually responsible for adjusting and settling insurance claims for loss or damage to items other than the Common Elements and Insured Amenities and for receiving and using any resulting insurance proceeds.

(d) **Procedures.** In the event of loss of or damage to the Building or Common Elements covered by such fire and casualty insurance maintained by the Board, the Board shall, within sixty (60) days after any such occurrence, obtain reliable and detailed estimates of the cost to place such damaged items in a condition as good as that before such loss or damage, such estimates to contain and include the cost of any professional fees and premiums for such bonds as the Board may deem to be in the best interests of the Board. Whenever it shall appear that the insurance proceeds payable for such loss or damage will be insufficient to defray the cost of the repair, replacement or reconstruction, the additional monies required to completely pay for such repair, replacement or reconstruction shall be deposited with the Insurance Trustee not later than thirty (30) days from the date on which the Insurance Trustee shall receive the monies payable under the policy or policies of fire and casualty insurance.

(e) **Small Losses: Personal Property.** Notwithstanding anything hereinabove set forth to the contrary, in the event of loss of or damage to Building or Common Elements, and the loss or damage has been established as being $100,000.00 or less, regardless of the amount which may be available under any applicable insurance policy or policies to pay for the repair, replacement and/or reconstruction of the items lost or damaged, then and in said event the insurance proceeds shall be paid directly to the Board (whether by the insurer or by the Insurance Trustee), as trustee for the Association, and the Board shall thereafter hold such proceeds in trust for the repair, replacement and reconstruction of the items lost or damaged. In the event of loss
of or damage to Common Elements which are personal property, and in the event that the Board determines not to replace all of such personal property as may be lost or damaged, then the insurance proceeds applicable thereto shall be held by the Board for the future and placed in the Reserve Fund, or may be used for the purpose of reducing the Common Expense of the Board, or may be used as the Board shall deem advisable.

(f) **Contracts for Repairs.** Contracts for repair, replacement or reconstruction of loss or damage shall be let by the Board, in its sole discretion, in the name of the Board, and the Board shall authorize payments to be made thereunder by the Insurance Trustee in accordance with the terms of the Insurance Trust Agreement. The Board may enter into such agreements with the Insurance Trustee as it may deem in the best interest of the Board for purposes of effectuating the intent hereof. If appropriate, the Board may retain an architect to supervise the repair, replacement, or reconstruction.

(g) **Insurance Trustee’s Disbursements.** The terms and provisions of the Insurance Trust Agreement shall control the disbursement of funds by the Insurance Trustee. The Insurance Trustee shall not disburse any funds for repair, replacement, or reconstruction until such funds on deposit with the Insurance Trustee equal the estimated cost of repair, replacement, or reconstruction.

(h) **Board Disbursements.** If the Board receives insurance proceeds, it shall hold the proceeds as trustee for the Association and the Board shall not disburse any proceeds for repair, replacement, or reconstruction until such proceeds on deposit with the Board equal the estimated cost of repair, replacement, or reconstruction. The Board shall require with each request for a disbursement to a contractor for such repair, replacement, or reconstruction the following:

(i) **Proof of payment of all costs of labor and materials except for those costs for which the disbursement is requested;**

(ii) **A statement certifying (i) that the repair, replacement, or reconstruction (as the case may be) to the date of the certificate is in compliance with the plans and specifications therefor; (ii) the percentage of completion to the date of the certificate; (iii) that the remaining funds will be sufficient to complete the repair, replacement, or reconstruction;**

(iii) **If an architect has been retained, the approval of the architect for the disbursement.**

(i) **Non-Abatement of Common Expenses.** In the event of a casualty loss that renders one or more Units untenable, Assessments against each and every Unit Owner displaced as a result of the casualty nonetheless shall not abate as a result of such casualty or associated damage or destruction.

12. **EMINENT DOMAIN.**
(a) **Procedures.** If all or any part of the Property (excluding personality) is taken or threatened to be taken by eminent domain, the Board is authorized and directed to proceed as follows:

(1) To obtain and pay for such assistance from attorneys, appraisers, architects, engineers, expert witnesses and other persons as the Board in its discretion deems necessary or advisable to aid and advise it in all matters relating to such taking and its effect, including, but not limited to (i) determining whether to resist such proceedings or convey in lieu thereof, (ii) defending or instituting any necessary proceedings and appeals, (iii) making any settlements with respect to such taking or attempted taking, and (iv) deciding if, how and when to restore the Property;

(2) To negotiate with respect to any such taking, to grant any permits, licenses and releases, to convey all or any portion of the Property, and to defend or institute, and appeal from, all proceedings as it may deem necessary or advisable in connection with the same;

(3) To have and exercise all such powers with respect to such taking or proposed taking and such restoration as those vested in boards of directors of corporations with respect to corporate property, including but not limited to purchasing, improving, demolishing and selling real estate.

(b) **Unit Owners and Lenders.** Each Unit Owner and each Lender shall be given reasonable written advance notice of all final offers before acceptance, proposed conveyances, settlements and releases contemplated by the Board, legal proceedings and final plans for restoration, and reasonable opportunity to be heard with respect to each of the same, and to participate in and be represented by counsel in any litigation and at all hearings, at such Unit Owner’s or Lender’s own expense.

(c) **Compensation Fund.** The Board shall be reimbursed for all attorneys’, engineers’, architects’ and appraisers’ fees, costs and expenses paid or incurred by it in preparation for, and in connection with, or as a result of, any such taking out of the compensation, if any, by whomsoever received, for any such taking, or for any conveyance in lieu thereof, and the net amount of such compensation shall be deposited with the Insurance Trustee in trust for the Unit Owners and pooled. Such compensation, together with any amounts added thereto as provided hereinafter, is sometimes hereinafter called the “Compensation Fund” and shall be allocated and used, or distributed by, or at the direction of, the Board as follows:

(1) Any portion of such Compensation Fund specifically designated and determined by the court having jurisdiction over the eminent domain proceedings (the “Court”), or, if not, by the Board, to have been paid by the condemnor for reasonable and necessary moving expense, additional refinancing expense, relocation expense, attorneys’ fees, litigation costs and expenses, or other costs or expenses, individually incurred by any Unit Owner or lienor, shall first be allocated and paid to the persons who incurred same.
(2) If all of the Property is taken, this horizontal property regime shall terminate as of the date of taking and the balance of the Compensation Fund shall be distributed among the Unit Owners in proportion to their respective undivided percentage interests in the Common Elements at the time of the taking by, or conveyance to, the condemnor. If there is a Recorded Mortgage on any Unit to secure any indebtedness, distribution with respect to such Unit shall be by check payable jointly to the Unit Owner of the Unit and the Lender holding the Recorded Mortgage.

(3) If not all of the Property is taken and the remainder thereof cannot, or, in the opinion of Unit Owners owning not less than sixty-six and two-thirds percent (66-2/3%) of the Units, should not be continued as a common enterprise, whether for physical reasons, lack of sufficient remaining Units, expense or other reasons, this horizontal property regime shall terminate as of the date of taking, except to the extent necessary to wind up the affairs of the regime as provided herein, and the remaining Units and Common Elements shall be sold by the Board for the best prices reasonably obtainable, at public or private sale, and the amount thus obtained, less sales expense, shall be deposited with the Insurance Trustee, pooled and added to the Compensation Fund, the balance of which shall then be distributed among the Unit Owners and their Lenders, if any, in the proportions and manner specified in this Section. The respective Unit Owners of Units, or portions thereof, thus to be sold shall have a first refusal option to purchase, and thus, if practicable, retain their own Units and purchase fee simple interests in Common Elements of sufficient nature and extent to enable their respective Units to be reasonably tenantable and habitable. Such first refusal option shall be given and exercised as follows:

The Board shall notify each such Unit Owner in writing, sent by certified mail to his last address known to the Board, of the price at which it will offer the Unit Owner's Unit or what is left of it, of what former Common Elements will be sold with such Unit as appurtenances thereto, and any other substantive matters relating to the proposed sale, and such Unit Owner shall have the right within fifteen (15) days after the mailing of such notice to exercise his option to purchase such Unit and appurtenances at a specific price by notice of such acceptance delivered to the Board, accompanied by a deposit of ten percent (10%) of the offering price, whereupon such Unit Owner shall be entitled and obliged to purchase, and the Board shall be entitled and obliged to sell to him, such Unit and appurtenances at said price and upon the terms specified in the notice. If such Unit Owner shall not exercise such option as aforesaid, the Board shall be free to sell the Unit and such appurtenances to whomsoever it elects without any further option or other rights in favor of such Unit Owner but shall not sell the same at any lower price or more favorable terms without again giving such Unit Owner the same right of refusal in the same manner.

(4) If, in the opinion of the Board, the remainder of the Property can be and should be continued as a common enterprise, the following provisions shall be applicable:
(i) The respective net amount by which the fair cash market value of each Unit has been diminished, if any, at the time of and by reason of such taking shall be determined. The amount of such diminution, and the value of any remainder interest in any such Unit, if not determined by the Court, shall be determined by the Board.

(ii) The amount allocated to each Unit which in the judgment of the Board is not restorable or replaceable shall be distributed from the Compensation Fund (together with the fair cash market value, at time of taking by the condemnor, of the remainder of such Unit, and any remaining interests appertaining to such Unit in any portion of the Property) by joint check, to each Unit Owner of, and Lender or Lenders with a Recorded Mortgage on, each such Unit in return for conveyance of such remainder and remaining interests to the Board which shall hold same for and on behalf of the Unit Owners. Such conveyance shall convey good and marketable title, free and clear of any encumbrances.

(iii) The balance of the Compensation Fund shall next be used to such extent and in such manner as the Board shall determine for the restoration and replacement of Common Elements and then for the restoration and replacement of the affected Units, all in keeping with the character of the Property as a whole, and the Board is authorized and directed to hire, and be reimbursed out of the Compensation Fund for payment to, all such architects, engineers, builders and other persons, if any, whom it deems necessary or advisable to plan and effectuate such restoration and replacement. The remaining amount, if any, in the Compensation Fund after payment for such restoration and replacement shall be distributed to the Unit Owners of, and Lenders with a Recorded Mortgage on, the Units that have not been eliminated and which have suffered diminution as above determined, to compensate such Unit Owners for any diminution remaining, after taking into account the effects of such restoration or replacement in the market value of their Units and, so that as near as may be possible, each remaining Unit Owner will be proportionately as well off as before the taking; provided that compensation distributed to a Unit Owner for diminution in value shall in all such cases be made only upon a simultaneous and equitable adjustment in such Unit Owner’s undivided percentage interest in the Common Elements, utilizing the Unit Square Footage Method.

(5) If any Unit shall have been specially benefitted by the taking, or by any such restoration or replacement, the Unit Owner thereof and his Unit shall be debited, charged or assessed by the Board in favor of the Compensation Fund for the amount by which, in the Board’s judgment, the fair cash market value of his Unit has been enhanced due to such taking or due to such restoration or replacement. Thereafter, the Unit Owner and his Unit shall receive and accept a correspondingly acceptable adjustment in such Unit Owner’s undivided percentage interest in the Common Elements, utilizing the Unit Square Footage Method.
(6) If, after all such payments, distributions, replacement and restoration costs, and other expenses and all such debits, charges and assessments, there should remain any surplus in the Compensation Fund, the same shall be placed in the Reserve Fund or at the option of the Board, distributed to the Unit Owners in proportion to their respective percentage interests in the Common Elements. If there is any shortage, the same shall be assessed to the remaining Unit Owners in the same manner as Common Expenses.

(d) **Board’s Powers.** The Board is hereby appointed as attorney-in-fact for each Unit Owner to convey any Unit Owner’s and Lender’s interest in lieu of condemnation or in connection with restoration and replacement and to make any other conveyances and to execute, acknowledge, deliver and Record any and all instruments deemed necessary or advisable in connection with the subject matter of this Section, including without limitation amendments to this Master Deed and/or the Plat to reflect a taking and its resulting effect on the remaining Unit Owners’ undivided percentage interests in the Common Elements, and is hereby authorized and empowered to take all such steps and do all such things as in its judgment may be necessary or advisable to effectuate and implement the powers granted to it hereunder.

(e) **Execution of Documents.** Each Unit Owner and Lender shall upon request execute, acknowledge and deliver to the Board or to such person(s) as the Board may specify, all such instruments and documents as may be reasonably necessary to effectuate and implement this Section, and shall do all such other things reasonably necessary or incidental to the specific requirements of this Section.

(f) **Determinations of Value.** All determinations of value, changes in value, restorability, replaceability, damages, benefits, proper proportions, allocations and other matters necessary for the administration of the provisions of this Section shall, to the extent not finally determined by the court in the applicable condemnation proceedings, if any, be made impartially, reasonably and in good faith by a majority of the Board who shall act as fiduciaries and shall endeavor at all times to deal equitably with each respective Unit Owner, any Lender and other person having any legal or equitable interest in the Property, or any portion thereof. No member of the Board shall vote on the amount to allocate to his own Unit, any amount to be paid, credited or charged to him, or shall vote on whether or not a Unit owned by him shall be restored or replaced. Any Unit Owner, Lender, or other person dissatisfied with any determination or action of the Board, insofar as adversely affecting any Property in which he has a legal or equitable interest, shall be entitled to seek a determination by the Board, and after such determination, to seek other remedies provided by law.

(g) **Termination of Regime.** In the event of termination of the horizontal property regime as herein provided, the filial estates shall be deemed merged into and become a part of the “Property” and the Property shall be subject to partition at the suit of any Unit Owner, and with the exception for the first refusal rights of Unit Owners hereunder, the Master Deed, By-Laws and Plat shall cease to apply.

13. **ALTERATIONS, ADDITIONS OR IMPROVEMENTS.**
(a) **Alterations and Improvements.** Except as provided in this section, no alteration of any Common Elements or Units, or any additions or improvements thereto, shall be made without the prior written approval of the Board.

1. **Alterations by the Board.** The Board may perform or contract for such alterations, additions, and improvements to the Common Elements as the Board deem appropriate in its sole discretion. The costs and expenses for such alterations, additions, and improvements may be paid by the Board from the Reserve Fund or may be deemed a Common Expense for which the Board may levy an Assessment.

2. **Alterations by a Unit Owner.** Only with the prior written approval of the Board, which may be withheld in the Board's discretion, a Unit Owner, at his sole expense, may make structural alterations, additions or improvements to his Unit, or alterations, additions or improvements (structural or non-structural) to the Limited Common Elements serving such Unit or to the General Common Elements. Any Unit Owner may make non-structural alterations (i.e., changes to interior finishes, such as countertops or flooring), additions or improvements within the Unit of the Unit Owner without the prior written approval of the Board, but such Unit Owner shall be responsible for any damage to other Units, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

(b) **Conditions for Alterations.** The Board, in approving alterations, additions and improvements to a Unit or the Common Elements, generally shall require that:

1. the Board determines that such alteration is permitted under the Act and that the Unit Owner(s) requesting such alteration shall pay all construction and other expenses associated therewith, including insurance premiums applicable to such alterations, improvements and additions;

2. such alterations shall not weaken, impair, or endanger any of the Common Elements or any Unit;

3. not later than thirty (30) days prior to the scheduled commencement of work, the Unit Owner or Unit Owners desiring to make such alterations shall notify the Board of the nature thereof and provide, if required by the Board, plans and specifications for such work and shall receive written approval of the plans and specifications from the Board prior to the commencement of such work;

4. the cost of builder's risk and other insurance as reasonably required by the Board shall be paid in full by the Unit Owner or Unit Owners making such alterations, and if required by the Board such work shall be bonded, and evidence of such insurance shall be provided to the Board prior to commencement of construction;
(5) if required by the Board, the mechanics and materialmen supplying labor and materials for the alterations shall agree in writing to limit their lien rights to the Unit or Units being altered;

(6) the Board shall determine that such alterations will not result in an increase in tax assessments or insurance premiums against other Units or the Common Elements;

(7) the Board determines that the construction of the alterations shall not unreasonably interfere with the use and enjoyment of any Common Elements by other Unit Owners or Occupants, and the Unit Owner or Unit Owners performing the alterations shall pay in full the expense of restoring such Common Elements to their condition prior to such alterations;

(8) such alterations, in the opinion of the Board, shall be compatible with the architectural design and quality of construction of the affected Buildings and Units and shall not interfere with or be detrimental to the reasonable use and enjoyment of the Property by other Unit Owners; and

(9) all alterations, improvements, or repairs must be done in a good and workmanlike manner, using materials and craftsmanship of a quality at least as good as then makes up the Unit, and in full compliance with all applicable building codes.

14. **DECORATING; SIGNS.**

   (a) **General.** Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating within his own Unit, as may be required from time to time, including, but not limited to, painting, wall papering, washing, cleaning, paneling, floor covering, draperies, window shades, shutters, curtains, lighting and other furnishings and decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceilings of his Unit and all balconies, patios, decks, and terraces appurtenant thereto (to the extent same are not Limited Common Elements), and such Unit Owner shall maintain said interior surfaces in good condition at his sole expense as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the rules and regulations of the Association. Decorating of the Common Elements shall be furnished by the Association as part of the Common Expenses. No Unit Owner shall decorate window interiors, either with draperies, shutters, curtains, window shades or other coverings or accessories, in any manner which detracts from the appearance of the Building, and the determination of the Board on such matters shall be final. No Unit Owner shall decorate the portions of such balcony, deck, or patio visible from outside such Unit in any manner which detracts from the appearance of the Building, and the determination of the Board on such matters shall be final.

   (b) **Signs.** Usage of and placement of signage on or around the Property and Units shall be subject to Rules and Regulations adopted by the Board.
15. **THIRD PARTY PROPERTY RIGHTS AFFECTING THE PROPERTY.**
Each Unit Owner shall take title to his Unit subject to, and the rights of the Unit Owners to use the Common Elements shall be subject to, the following:

(a) **Third Party Rights to or Use of Common Elements.** The Board shall have the authority to lease, grant easements or grant licenses with respect to parts of the Common Elements, subject to the provisions of the Master Deed and By-laws, and such rights to use the Common Elements, including but not limited to the Limited Common Elements shall be subject to the provisions of any such lease, license and easement. All income, if any, derived by the Association from such leases, easements or licenses shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe. Further the Board shall have the authority to permit Persons other than Unit Owners to use portions of the Common Elements, including clubrooms and recreational facilities, upon such terms as the Board shall deem advisable. All income, if any, received from such use of the Common Elements shall be used to defray Common Expenses in such manner as the Board shall determine.

(b) **Utility Easements.** All suppliers of utilities, including cable TV and internet connections, serving the Property may be granted easements (exclusive or non-exclusive) at the discretion of the Board to install, lay, construct, operate, maintain, renew, repair and replace conduits, ducts, cables, pipes and wires and other equipment or structural components in, to, over, under, across and through any portion of the Common Elements or any portion of the walls of a Unit (whether or not such walls lie in whole or in part within the Unit boundaries) for the purpose of providing the Property with utility services, together with the reasonable right of ingress to and egress from the Property or any part thereof for said purpose.

(c) **Reservation of Easement to Facilitate Expansion.** The Association reserves transferable easements in, on, over, across, through and under the Common Elements for the purpose of making such improvements to the Property as the Association may from time to time elect to make.

16. **LEASE OF A UNIT.**

(a) **Leasing of Commercial Units.** All Unit Owners, other than Developer, desiring to Lease a Unit(s) to an Occupant(s) must obtain the Board’s prior written consent to the proposed tenant, the basic terms of the lease, and the Business (in the case of commercial Units) to be conducted at the Unit in question, such consent not to be unreasonably withheld, conditioned, or delayed. The Association shall be a co-signatory on all leases for the sole purpose of having the right to enforce rights under the lease, and, with or without such co-signature, the Unit Owners hereby vest in the Board the right evict any tenant, with or without Unit Owner consent, who violates the lease, this Master Deed, the Bylaws, or applicable law. The Association reserves the right to require the use of the Association’s form lease and associated documentation. The Board may retain a copy of any lease of a Unit. Subject to the allocation of liability for Assessments and other monetary obligations as contained in the lease, the lessee under every such lease shall be bound by and subject to all of the obligations under the Master Deed and By-laws of the Unit Owner making such lease, and the lease, if any, shall expressly so provide. The Unit Owner making such lease shall not be relieved thereby from any of
said obligations. Upon the expiration or termination of such lease, or in the event of any attempted assigning or subleasing thereunder, the provisions of this Section shall again apply to said Unit or interest therein.

(b) Notice of Lease. Whenever a Unit Owner, other than the Developer, shall propose to lease his Unit, or any interest therein, whether or not pursuant to arms length negotiations, said Unit Owner shall give the Board not less than five (5) days prior written notice thereof prior to the proposed lease, which notice shall include a copy of the lease proposed by the Unit Owner and shall state the name, address, and Business of the proposed lessee.

(c) Rules and Regulations. The Board has the absolute right and authority from time to time to adopt rules and regulations not inconsistent with the provisions of this Section for the purpose of implementing and effectuating said provisions.

(d) Available Remedies. If any lease of a Unit is made or attempted without complying with the provisions of this Section, such lease shall be subject to each and all of the rights and options of and remedies and actions available to the Association hereunder and otherwise.

17. **RESTRICTIONS AGAINST FURTHER SUBDIVIDING OF UNITS AND SEPARATE CONVEYANCE OF APPURtenant COMMON ELEMENTS, ETC.** No Unit may be divided or subdivided into a smaller Unit or smaller Units or separated into separate tracts or parcels, whether by deed, plat, court decree or otherwise, nor shall any Unit, or portion thereof, be added to or incorporated into any other Unit. The Common Elements shall remain undivided and shall not be subject to an action for partition or division of the co-ownership thereof so long as the Common Elements are used for a horizontal property regime. Further, the undivided interest in the Common Elements declared to be an appurtenance to each Unit shall not be conveyed, devised, encumbered or otherwise dealt with separately from said Unit and the undivided interest in Common Elements appurtenant to each Unit shall be deemed conveyed, devised, encumbered or otherwise included with the Unit even though such undivided interest is not expressly mentioned or described in the instrument conveying, devising, encumbering or otherwise dealing with such Unit. Any instrument conveying, devising, encumbering, or otherwise dealing with any Unit, which describes said Unit by the Unit numerical designation assigned thereto in the Plat, shall be deemed and construed to affect the Unit and its appurtenant undivided interest in the Common Elements. The description in any instrument conveying, devising, encumbering, or otherwise dealing with any Unit and describing the Unit by its Unit numerical designation and identifying this Master Deed shall be deemed to include any and all amendments and supplements to this Master Deed and to the Plat and By-Laws herein identified, and it shall not be necessary for such description specifically or generally to refer to any such amendment or supplement. Nothing herein contained shall be construed as limiting or preventing ownership of any Unit and its appurtenant undivided interest in the Common Elements by more than one person or entity as tenants in common, joint tenants, or as tenants by the entirety.
18. **REMEDIES.**

(a) **General Provisions.** In the event of any violation of, or default under, the provisions of the Act, Master Deed, By-laws or Rules by any Unit Owner (either by his own conduct or by the conduct of any Occupant of his Unit), and the failure to cure such violation or default within fifteen (15) days after mailing such notice of default to the Unit Owner (which shall include any cure period elsewhere provided), the Association, or the Board, or its agents, shall have each and all of the rights and remedies which may be provided for in the Act, Master Deed, By-laws, the Rules or the laws of the State of Tennessee, or which may be provided or permitted at law or in equity, and may prosecute an action or other proceedings against such defaulting Unit Owner and/or others (i) for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or (ii) for damages or injunction or specific performance, or (iii) for judgment for payment of money and collection thereof, or the right to take possession of the Unit and such Unit Owner’s interest in the Property, and to sell the same, as hereinafter in this section provided, or (iv) for any combination of remedies, or (v) for any other relief. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board.

(b) **Emergency Dispossession By the Board.** In the event of (i) criminal activity, or danger or threat to the health, safety, or welfare of the person or property of other Unit Owners or Occupants caused by a Unit Owner or Occupant, and (ii) written notice to the offending Unit Owner or Occupant of the complaints or allegations and an opportunity for the offending Unit Owner or Occupant to be heard at a regular or special meeting of the Board, then the Board shall be entitled to, and is hereby empowered to, issue to the Unit Owner (even if the offending activity is being committed by an Occupant) a notice in writing terminating the rights of the said Unit Owner to continue as a Unit Owner and to continue to occupy, use or control his Unit, and thereupon (x) to dispossess the Unit Owner or Occupant and to take such other actions as may be appropriate to affect or facilitate such dispossession (including but not limited to changing locks on the Unit, withholding maintenance services, and interrupting utility service to the Unit) until such time as a hearing may be held before a court of competent jurisdiction on a request by the Board for temporary or permanent relief from the offending activity, and/or (y) to institute an action in equity against said Unit Owner or Occupant for a decree of mandatory injunction declaring the termination of said Unit Owner’s or Occupant’s right to occupy, use or control the Unit owned by him on account of said offending activity and ordering that all the right, title and interest of said Unit Owner in the Property shall be sold (subject to any existing liens) at a judicial foreclosure sale upon such notice and terms as the court shall determine or at foreclosure sale conducted by the Association in accordance with this Section, except that the court shall enjoin and restrain the said Unit Owner from reacquiring his interest at such sale.

(c) **Enforcement by Foreclosure.** For and in consideration for the mutual benefits received by all Unit Owners for the use and enjoyment of the Common Elements, the Unit Owners hereby transfer and convey unto Evan A. Allison ("Trustee"), a resident of Hamilton County, Tennessee, or such other designee of the Association, all right, title and interest in and to their respective Units (along with all interest in the Common Elements), to have and to hold, his successors and assigns, forever; provided, however that this conveyance is made subject to the terms and conditions of this Section to secure the full and faithful performance of all terms and provisions of this Master Deed, including but not limited to full payment of any and
all Assessments and Common Expenses assessed by the Association or the Board against a Unit or Unit Owner. If any Unit Owner fails to pay any Assessment or Common Expense when due or otherwise fails to fully and faithfully perform or adhere to the terms and provisions of this Master Deed, in either case subject to any cure periods provided in this Section, then Trustee is authorized and empowered to enter and take possession of such Unit Owner’s Unit and to sell the Unit, either on the premises or at the County Courthouse door at which judicial sales are usually made, for cash to the highest bidder free from all equity of redemption, the Statutory right of redemption provided by any applicable Tennessee Statute including that afforded by T.C.A. §66-8-101, et seq., and any amendment or recodification of such statute, homestead, dower and all other exemptions and marital rights, all of which are hereby expressly waived and conveyed. Trustee will execute a conveyance to the purchaser conveying such title as Trustee has and deliver possession to the purchaser, which shall be given without obstruction, hindrance or delay, and Unit Owner, in case of any sale under this Master Deed, will, upon demand, surrender possession of the Unit and will from that moment become and be a tenant at will of the purchaser or of the Association, or of Trustee for the use of the Association, removable by process as upon a forcible and unlawful detainer and will pay the said purchaser, or the Association or Trustee for the use of the Association the reasonable rental value of the Unit from and after said sale until surrender of possession. The proceeds of any sale hereunder shall be applied as follows: (i) first, to the expense of enforcing this Section of the Master Deed, including the expense of protecting and maintaining the Unit and the expense of any litigation and reasonable attorneys’ fees and compensation to the Trustee; (ii) second, to the payment of any unpaid taxes assessed against the Unit; (iii) third, to the payment of all unpaid amounts due under this Master Deed, including Assessments and Common Expenses and interest thereon accrued; (iv) fourth, any surplus shall be paid to the person or persons legally entitled thereto. The Board shall have the right, in its absolute discretion and without assigning any cause or reason whatsoever, and without giving notice of any kind, to remove the Trustee named herein, or any successor Trustee at any time, and to appoint a successor trustee by written instrument executed by the Association, and such successor trustee shall become vested with the same title to the Units and the same rights and powers and subject to the same duties as the Trustee named herein, and each appointment of a successor trustee by the Association shall be recorded in the Register’s Office Hamilton County. The Association may purchase any Unit at any sale made pursuant to this Master Deed.

(d) Miscellaneous Additional Enforcement Measures. The violation of, or default under, any provisions of the Act, this Master Deed, the By-laws or the Rules by any Unit Owner (either by his own conduct or by the conduct of any Occupant of his Unit), if not cured within the time periods provided herein, shall give the Board, and its employees and agents, the right, in addition to any other rights provided for in this Master Deed:

(1) to impose, in the case of a non-monetary default, a reasonable fine for a single violation or default, or reasonable daily fines for any offense of a continuing nature, with the same treated as an Assessment against the Unit Owner’s Unit. The amount of such fine or fines, as the case may be, shall be set forth in Association rules and regulations adopted by the Board from time to time; and/or

(2) to enter upon the Unit, or any portion of the Property upon which or as to which such default exists and to correct such default, and to do
whatever may be necessary for such purpose, and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner as an Assessment, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; and/or

(3) to bar the defaulting Unit Owner or Occupant from using and enjoying the Common Elements; and/or

(4) to pursue any other remedies provided by law or equity.

(e) Expenses in Enforcement; Interest. All expenses of the Board in connection with pursuing any remedies herein provided, including court costs and attorneys’ fees and other fees and expenses, whether or not such enforcement requires litigation, shall be charged to and assessed against such defaulting Unit Owner and shall be added to and deemed an Assessment of such Unit Owner’s respective share of the Common Expenses, and the Board shall have a lien for all of the same upon the Unit of such Unit Owner, which lien shall be enforceable in accordance with the provisions of this Section. In the event of monetary obligations (including but not limited to Assessments and Common Expenses) that remain unpaid after such cure periods as are herein provided, such unpaid amounts shall bear interest at the highest rate allowed under applicable law and such interest shall be part of the monetary obligation and shall be part of such Unit Owner’s respective share of the Common Expenses, and the Board shall have a lien for all of the same.

(f) Security Interest in Rent. Each and every Unit Owner hereby grants to the Association a security interest in any and all rents and income derived from any Unit for the purpose of securing the full and faithful performance of all obligations contained in this Master Deed and the payment of all sums owing hereunder. Accordingly, the Association shall have such rights in and to such rents and income as are provided in Article 9 of the Uniform Commercial Code as adopted from time to time in Tennessee, including but not limited to the right to collect such rent and income and apply same against amounts owing hereunder.

19. AMENDMENT.

(a) Procedure. Subject to the requirements of this Section and of other sections of this Master Deed, and except as otherwise provided elsewhere herein, the provisions of this Master Deed may be amended, modified or rescinded by an instrument in writing setting forth such amendment, modification or rescission, and receiving Two-Thirds Approval. No such amendment, modification or rescission shall change the boundaries of any Unit, the undivided interest in the Common Elements appurtenant to any Unit, the number of votes in the Association allocated to any Unit, or the liability for Common Expenses appertaining to any Unit, except to the extent authorized by this Master Deed or by the Act. Any such instrument shall be executed by an officer of the Association and Recorded along with a certification by the Secretary of the Association of Two-Thirds Approval.

(b) Amendment by Developer. Developer unilaterally may amend this Master Deed at any time without any additional vote or approval so long as Developer continues to own any Unit.
(c) Effective Date. Any amendment, modification, or rescission of this Master Deed pursuant to this Section or any other provision of this Master Deed or of the Act shall be valid and effective only upon the Recording thereof. This Master Deed may not be amended, modified, or rescinded so as to conflict with the provisions of the Act.

20. **RIGHTS RESERVED TO ASSOCIATION.** The Unit Owners' rights of enjoyment of the Common Elements as herein created shall be subject to:

(a) Suspension of Enjoyment Rights. The right of the Association to suspend the enjoyment rights of any member thereof in utilities, ingress and egress, and all other rights in the Common Elements for any period during which any Assessment is delinquent and remains unpaid, and for such period as it considers appropriate for any infraction of its published rules and regulations; and

(b) Fees for Use of Common Elements. The right of the Association to charge reasonable fees, consistently applied, for the use of any portion of the Common Elements; and

(c) Dedication of Common Elements. The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Board, provided that no such diminution, dedication, transfer, or determination as to the purposes or as to the conditions thereof, shall be effective unless the Association obtains Majority Approval for such diminution, dedication, transfer, purpose or condition.

21. **RIGHTS RESERVED TO DEVELOPER.**

(a) Right to Modify. Developer hereby reserves the right, exercisable at its sole option, to combine, expand, modify or reconfigure any unsold Units. Upon any modification or reconfiguration of the unsold Units, Developer shall accordingly readjust the Percentage Interest for the modified or reconfigured Units. The total undivided Percentage Interest assigned to all Units in The Market Street Loft Condominiums will, upon such modification or reconfiguration, continue to equal one hundred percent (100%). The readjusted Percentage Interest of a modified or reconfigured Unit shall be derived using the Unit Square Footage Method. Upon any modification or reconfiguration, Developer shall record an amended plat or a supplemental or amended Master Deed, whereby the revised schedule of undivided Percentage Interests set forth therein shall automatically become effective for all purposes and shall fully supersede the schedule presently set forth in this Master Deed, or in supplemental or amended Master Deed, prior plat or supplemental plat.

(b) Re-designation of Common Elements. With respect to each Building now or hereafter constructed on the Property, as it now exists or as it may hereafter be expanded, Developer reserves the right to designate and redesignate Limited Common Elements as appurtenant to each Unit within a Building until such time as a deed from Developer to a purchaser of such Unit is recorded. Developer reserves the right to convert Common Elements into Limited Common Elements and to redesignate Limited Common Elements as Common Elements, provided that Developer shall first amend any plat previously recorded, or the Master Deed, to effect such designations and redesignations, if necessary. Developer reserves the right
to convert Units into Common Elements until any such Unit is sold. In no event shall this Section confer upon Developer the right to alter Limited Common Elements assigned to previously deeded Units.

(c) **Use of Common Elements.** Developer reserves the right, in perpetuity, to use any and all Common Elements such as entry ways, hallways, corridors, and lobbies for the placement of kiosks, carts or similar items owned by Developer for the conducting of Business which is not incompatible with the mixed-use nature of the Property.

22. **RIGHTS OF LENDERS AND UNIT OWNERS TO INFORMATION.**

(a) **Actions Requiring Approval.** Each of the following actions shall require Lender Approval as of the date such action is taken:

(1) Removal of the Property from the provisions of the Act, except for removal provided by law, in the case of destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain;

(2) Execution of any amendment to this Master Deed which changes the provisions of this subsection or any other provision in this Master Deed which specifically grants rights to the Lenders.

(5) receive written notice of any material amendment to this Master Deed, the By-laws or the Charter of the Association;

(6) receive notice of any condemnation action affecting the Property or any lapse of hazard/casualty insurance maintained by the Association.

The Association's failure to provide any of the foregoing to a Lender who has so requested same, however, shall not affect the validity of any action or decision which is
related to the foregoing, nor shall the Association have any liability on account of its good faith failure to so provide.

(c) Notice of Casualty or Condemnation. Upon written request to the Board, a Lender shall be entitled to timely written notice in the event of any substantial damage to or destruction of the Unit or Units, or any part of the Common Elements or, if such Unit or Units or any portion thereof, or the Common Elements or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority. No Unit Owner or other party shall be entitled to priority over a First Mortgagee with respect to the distribution to such Unit Owner or other party, as to such Unit, of any insurance proceeds payable by reason of such damage or destruction or of the proceeds of any such condemnation award or settlement.

(d) Additional Rights. The provisions hereof are in addition to all other rights of Lenders herein contained or under law.

(e) Unit Owner’s Access to Information. Upon written request to the Board, any Unit Owner shall be entitled to:

1. Inspect the books and records relating to the Property, including the Bylaws and the rules and regulations of the Association, during normal business hours, upon reasonable notice; provided however, that in no event shall any Unit Owner be entitled to review, without prior approval of the Board, the phone numbers of other Unit Owners, payroll or other employee files or employee information maintained by the Association, or the actual monetary balance of delinquent Assessments;

The Association’s failure to provide any of the foregoing to a Unit Owner who has so requested same, however, shall not affect the validity of any action or decision which is related to the foregoing, nor shall the Association have any liability on account of its good faith failure to so provide. The provisions hereof are in addition to all other rights of Unit Owner’s herein contained or under law.

23. TRUSTEE AS UNIT OWNER. In the event title to any Unit is conveyed to a trust which holds title to a Unit under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the
beneficiaries thereunder shall be considered Unit Owners for all purposes and shall be responsible for payment of all obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Master Deed against such Unit. No claim shall be made against any such titleholding trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

24. **EASEMENTS.**

(a) **Additional Covenants and Easements.** Developer may unilaterally subject any portion of the Property submitted by this Master Deed and any additional land that may later be submitted by Supplemental Master Deed to additional covenants and Easements, including covenants obligating the Association to maintain and insure such Property on behalf of the Unit Owners and obligating such Unit Owners to pay the costs incurred by the Association. Such additional covenants and Easements shall be set forth in a Supplemental Master Deed filed either concurrent with or after the submission of the subject property.

(b) **Easements to Serve Additional Property.** Developer hereby reserves for itself and its duly authorized agents, representatives, employees, successors, assigns, licensees, and mortgagees, an Easement over the Common Area for the purposes of enjoyment, use, access, and development of any additional land, whether or not such property is made subject to this Master Deed or any subsequent Supplemental Master Deed. Developer agrees that it and its successors or assigns shall be responsible for any damage caused to the Common Area as a result of other activities connected with development of any additional land.

(c) **Easements for Utilities, Etc.**

(1) There are hereby reserved unto Developer, so long as Developer owns a Unit, the Association, and the successors and assigns of each, access and maintenance Easements upon, across, over, and under all of the Property to the extent reasonably necessary for the purpose of installing, replacing, repairing, and maintaining all sewer, water, power and telephone, pipes, lines, mains, conduits, poles, transformers, heating or air conditioning systems, ventilation systems, cable television systems, master television antenna systems, security and similar systems, computer systems, roads, walkways, irrigation systems, drainage systems, lights, light fixtures, appliances, signage, and any and all other appurtenances, equipment or machinery necessary or incidental to the proper functioning of the same which serve the Property, any Unit thereon, or any adjacent property of Developer, and the Improvements thereto, including the right of ingress and egress. Should any governmental agency or utility company finishing one of the foregoing services hereafter request a specific Easement by a separate recordable instrument in connection with the furnishing of any such service, Developer shall have the right to grant such Easement without payment of any consideration and without the prior consent of any Unit Owners. Any
damage to a Unit resulting from the exercise of this Easement shall promptly be repaired by, and at the expense of, the Person exercising the Easement. The exercise of this Easement shall not unreasonably interfere with the use of any Unit and, except in an emergency, entry into any Unit shall be made only after reasonable notice to the Unit Owner or occupant.

(2) In addition to the above provisions, upon the recording of this Master Deed, Developer specifically grants to the local water supplier, electric company, telephone company, cable television company, and natural gas supplier Easements across the Property for ingress, egress, installation, reading, replacing, repairing, and maintaining utility meters and boxes. However, the exercise of this Easement shall not extend to permitting entry to any Unit, nor shall any utilities be installed or relocated on the Property, except as approved by Developer.

(3) Developer, the Unit Owners and their respective successors and assigns shall have a blanket, perpetual and non-exclusive Easement in common in, upon, over, under, across and through the Property for surface water run-off and drainage caused by natural forces and elements, grading, and/or the Improvements located on the Property.

(4) Every Unit Owner shall also have a perpetual non-exclusive Easement to use and maintain all pipes, wires, ducts, cables, conduits and public utility lines which serve the Unit Owner and are located within the boundaries of his Unit.

(d) Easements for Common Elements Maintenance. Perpetual non-exclusive Easements for ingress and egress over, under, across, in and upon the Property (but not so as to interfere with improvements on the Property located in accordance with an approved parcel site plan) are hereby declared created and reserved by Developer for the benefit and use of itself and/or the Association, as the case may be, their respective successors and assigns, agents and employees, to provide reasonable access to Common Elements and to enter upon the Property for the purposes of performing the maintenance and related activities.

(e) Easements of Encroachment. There shall be reciprocal appurtenant Easements of encroachment, and for maintenance and use of any permitted encroachment, between each Unit and any adjacent Common Element and between adjacent Units due to the unintentional placement or settling or shifting of the improvement constructed, reconstructed, or altered thereon (in accordance with the terms of these restrictions) to a distance of not more than three (3) feet, as measured from any point on the common boundary along a line perpendicular to such boundary. However, in no event shall an Easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of, or with the knowledge and consent of, a Unit Owner, occupant, or the Association.

(f) Effect of Easements. All Easements provided for in this Master Deed shall run with the land and bind all Unit Owners, their successors, assigns and successors in title, and the rights, reservations and privileges for the use and benefit of Developer shall continue until they expire by their terms.
25. **HEADINGS.** The headings of sections and subsections in this Master Deed and the By-laws are for convenience or reference only and shall not in any way limit or define the content or substance of such sections and subsections.

26. **NUMBER AND GENDER.** As used in this Master Deed, the singular shall include the plural, and masculine, feminine, and neuter pronouns shall be fully interchangeable, where the context so requires.

27. **SEVERABILITY.** If any provision of this Master Deed, or By-laws, or other exhibit hereto, or any section, sentence, clause, phrase, word or the application thereof in any circumstances is held invalid, the validity of the remainder of this Master Deed and the By-laws and the other exhibits and of the application of any such provision, section, sentence, clause, phrase, or word in any other circumstances shall not be affected thereby, and the remainder of this Master Deed or the By-laws shall be construed as if such invalid part was never included therein.

28. **RIGHTS AND OBLIGATIONS.** Each Unit Owner accepts all restrictions, conditions, covenants, reservations, easements, liens and charges, and the jurisdiction, rights and powers created or reserved by this Master Deed. All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in the Parcel, the Property, or any portion thereof, and shall inure to the benefit of such Unit Owner as grantee in like manner as though the provisions of this Master Deed were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

29. **NOTICES.** Notices provided for in the Act, the Master Deed or the By-laws shall be in writing, and, if to the Board, shall be addressed to the Association or the Board, at Market Street Lofts, LLC, 825 Sunshine Lane, Altamonte Springs, FL 32714, Attention: Manager; and if to a Unit Owner, shall be addressed to such Unit Owner at the mailing address of the Unit Owner’s Unit or such other address as hereinafter provided. BY-LAWS
OF
THE MARKET STREET LOFT CONDOMINIUM OWNERS ASSOCIATION, INC.

ARTICLE I
The Association

Section 1.1 Name and Description. The Market Street Loft Condominium Owners Association, Inc. (the "Association") has been or will be organized as a Tennessee non-profit corporation as set forth in the Master Deed and Declaration of Covenants, Conditions and Restrictions (the "Master Deed") to be recorded in the Register's Office, Hamilton County, Tennessee for Market Street Loft Condominium regime. The Association shall be responsible for the management, maintenance, operation and administration of The Market Street Loft Condominium regime and the Common Elements associated with the condominium regime in accordance with the Tennessee Horizontal Property Act, Sections 66-27-101, et seq. (the "Act"), the Master Deed, these By-laws, the Charter, and the rules and regulations of the Association as adopted from time to time (the "Rules"). Members and all persons using, entering upon or acquiring any interest in a Unit, the Common and Limited Common Elements shall be subject to the provisions of these documents.

Section 1.2 Definitions. The definitions contained in the Master Deed, including without limitation, those in Article I entitled "Definitions" of the Master Deed, are incorporated herein by this reference.

ARTICLE II
Members

Section 2.1 Membership. Upon becoming a Unit Owner within The Market Street Loft Condominium regime, a person or entity shall automatically become a member of the Association (a “Member”) and shall be subject to the provisions of these By-laws, the Charter, Master Deed and the Rules. Such membership shall terminate without any action by the Association whenever such person or entity ceases to own a Unit; but such termination shall not relieve or release any such former Unit Owner from any liability or obligation incurred from the application of the provisions of these By-laws, the Charter, the Master Deed and the Rules during the period of such ownership and membership in the Association, nor shall such termination impair any rights or remedies which the Board of Directors of the Association may have against such former Unit Owner. The Board of Directors may, if it so elects, issue a membership card to the Members which membership card shall be surrendered whenever ownership of the Unit designated thereon has terminated. Developer will be deemed to be the Unit Owner of each Unit contemplated to be constructed within the condominium regime until the Unit is conveyed or is transferred to a third party purchaser. Accordingly, Developer will be a Member of the Association until Developer no longer owns a Unit. The term "Unit Owner" will
be used interchangeably with the term "Member" when the context may require or be more appropriate.

Section 2.2  First Meeting and Annual Meetings of Members. The first meeting of the Members of the Association shall be held within sixty (60) days after Developer has sold the last Residential Unit, such that Developer no longer owns any Residential Units. Each subsequent regular annual meeting of the Members shall be held on the first Wednesday of October of each year, or such other date as may be selected by the Board of Directors. Regular meetings of the Members shall be held not less frequently than once each calendar year.

Section 2.3  Initial Control of Association and Board by Developer. Until the first meeting of Members, all business and affairs of the Association shall be managed by Developer. Subsequent to the first meeting of the Association, the Developer shall continue to control and manage all business and affairs of the Association until Developer has sold Units representing more than 80% of the total Percentage Interests as shown on a schedule of the Unit Owners' Percentage Interests (the "Schedule of Unit Owners' Percentage Interests") maintained by the Association and updated from time to time. Once Developer (i) has sold all Residential Units, and (ii) has sold Units representing more than 80% of the total Percentage Interests, then Developer shall commence transition of control of the Association and the Board as provided in Article III of these Bylaws.

Section 2.4  Place of Meetings. Meetings of the Members shall be held at the principal office of the Association or at such other suitable place convenient to the Members as may be designated by the Board of Directors.

Section 2.5  Notice of Meetings. At least five (5) but not more than twenty (20) days prior to a meeting, the Secretary shall mail or personally deliver to each Member of record a notice of each annual or special meeting of the Members at the address of the Unit or at such other address as such Member shall have designated in writing to the Association. The notice shall state the purpose of the meeting as well as the time and place where the meeting is to be held. The mailing of a notice of a meeting in the manner provided in this Section shall be considered service of notice.

Section 2.6  Special Meetings. Special meetings of the Members may be called by the President, a majority of the Directors, or by Members having at least fifty percent (50%) of the Percentage Interests. All references hereafter to "total voting power" shall mean Members of the Association who collectively own one hundred percent (100%) of the Percentage Interests. Notice of any special meeting shall state the time, place, and purpose of the meeting. No business shall be transacted at a special meeting except as stated in the notice.

Section 2.7  Quorum and Adjournment. The presence in person or by proxy of Members entitled to exercise not less than a majority of the total voting power of the membership shall constitute a quorum for the transaction of business. The Members present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment. If a quorum is present, the meeting may be adjourned from time to time by the vote of a majority of the total voting power present in person or by proxy and entitled to vote thereat. No meeting may be adjourned for more than forty-five (45) days. If, after the adjournment, a
new record date is fixed for the adjourned meeting, notice of the adjourned meeting shall be
given as in the case of an original meeting. At any adjourned and re-called meeting, the
Association may transact any business which might have been transacted at the original meeting.
If the required quorum is not present or represented at the original meeting, the Members entitled
to vote thereat may adjourn the meeting (but may not transact any other business) without notice,
to a time not less than five (5) days nor more than thirty (30) days from the time the preceding
meeting was called.

Section 2.8  Voting.

(a) Except as otherwise provided by these By-laws, each Member
shall be entitled to the number of votes equal to the total of the Percentage Interests allocated to
the Unit or Units owned by a Member as set forth in Schedule of Unit Owners' Percentage
Interests. The vote of each Member may only be cast by such Member or by a proxy given by
such Member to his duly authorized representative. If title to a Unit shall be in the name of two
or more persons as Unit Owners (the "Joint Unit Owners"), anyone of such Joint Unit Owners
may vote as the Unit Owner at any meeting of the Association, and such vote shall be binding on
such other Joint Unit Owners who are not present at such meeting. If two or more of such Joint
Unit Owners are present at any meeting of the Association, their unanimous consent shall be
required to cast their vote as a Member.

(b) When a quorum is present at any meeting of the Association, the
vote by Members having more than fifty percent (50%) of the Percentage Interests of those
Members qualified to vote who are present, in person or by proxy, at such meeting shall decide
any question brought before such meeting, unless the question is one upon which a different vote
is required by an express provision of the Act, the Master Deed, or these By-laws, in which case
such express provision shall govern.

Section 2.9  Proxies. Votes may be cast in person or by proxy. Proxies shall be in
writing and the signature of the person or persons executing the proxy must be witnessed or
acknowledged. Proxies must be filed with the Secretary before the appointed time of each
meeting. No proxy shall be valid for a period longer than eleven (11) months after the date of its
execution, unless otherwise provided in the proxy.

Section 2.10  Waiver of Notice. Whenever the Members are authorized to take any
action after notice to any person or persons, or after the lapse of a prescribed period of time, such
action may be taken without such notice and without the lapse of such period of time if at any
time before or after such action is completed each person entitled to such notice or entitled to
participate in the action to be taken, or his attorney- in- fact or proxy holder, submits a signed
waiver of notice of such requirement. A Member's attendance at a meeting shall also constitute a
waiver of notice, except where a Member at the beginning of the meeting objects to holding the
meeting or transacting business at the meeting.

Section 2.11  Action by Consent. Whenever Members are required or permitted to take
any action by vote, such action may be taken without a meeting if all Members entitled to vote
on the action consent to considering such action without a meeting. If such consent is obtained,
the affirmative vote of the number of Members necessary to authorize or take such action at a
meeting shall be the act of the Members. Actions taken without a meeting must be evidenced by one or more written consents setting forth the action so taken, signed by all of the persons entitled to vote and indicating each signing Member's vote or objection on the action.

Section 2.12 Transfer. The membership held by any Unit Owner shall not be transferred, pledged or alienated in any way except upon the Unit Owner's sale of his Unit and then only to the purchaser of the Unit. Any attempt to make a prohibited transfer will be void and will not be reflected upon the books or records of the Association. In the event any Unit Owner shall fail or refuse to transfer the membership registered in his name to the purchaser of his Unit, the Association shall have the right to record the transfer upon the books and records of the Association.

Section 2.13 Obligations of Members. The Association, all present or future Members, tenants or future tenants, or any other persons using the Common Elements and the facilities of The Market Street Loft Condominium regime are subject to and shall comply with the Act, the Master Deed, these By-laws, the Charter, and the Rules of the Association, and the acceptance of a deed of conveyance, or the execution of a lease, or the act of occupancy of any Unit in the condominium regime shall constitute an acceptance of and agreement to comply with the provisions of all such documents. As more fully provided in the Master Deed, each Member shall pay regular, special and specific assessments levied by the Association to meet the financial requirements of the Association. A Member shall not be a Member in good standing and the Board of Directors may suspend such Member's voting rights and any other rights and privileges possessed by Members during any period or periods which such Member has not paid when due any assessment or any other charges made or levied against the Unit or has failed to comply with or perform other obligations provided for under these By-laws, the Master Deed or the Rules.

ARTICLE III
Board of Directors

Section 3.1 Appointment or Election and Term of Office. In accordance with the provisions of the Master Deed, Developer will control and act as, or will appoint a person or persons to control and act as, the Board of Directors of the Association until such time as Developer both (i) no longer owns any Residential Units, and (ii) has sold Units representing more than 80% of the total Percentage Interests, unless the Developer transfers his authority to the Board at an earlier date. Within sixty (60) days of items (i) and (ii) occurring, Developer shall call a special meeting of the Association to elect the first Board of Directors. Prior to the occurrence of items (i) and (ii) Developer, at its option, may appoint Members to serve on the Board and may assign to such appointees and to itself such number votes on the Board as Developer so desires, so long as the total number of votes assigned does not exceed five (5); any such appointees shall serve at the will of Developer until the election of the first Board. The Board of Directors shall consist of five (5) Directors, all of whom shall be natural persons. The Directors shall be elected by a Majority Approval of the Members of the Association; provided that, at all times, at least two Directors must be owners of Residential Units and at least two Directors must be owners of Commercial Units. The first Board of Directors elected shall serve until the first scheduled annual meeting of the Members. Thereafter, Directors shall be elected at the annual meeting of Members each year and shall hold office until the next annual meeting of Members, or until their successors have been elected and shall have qualified.
Section 3.2  Nominations. Nomination for election to the Board shall be made by a Nominating Committee. Nominations may also be made from the floor at the annual meeting or special meeting as the case may be. The Nominating Committee shall consist of a Chairman, who shall be a Member of the Board, and two or more Members of the Association. The Nominating Committee shall be appointed by the Board prior to each annual meeting to serve until the close of such annual meeting. The Nominating Committee shall make as many nominations for election to the Board as it shall in its discretion determine. Except for Directors appointed by Developer, every Director must at all times be a Member of the Association.

Section 3.3  Vacancies. After members of the Board of Directors are elected by the membership, a vacancy in any Director position elected by the Members shall be filled by the majority vote of the remaining Directors, even though they may constitute less than a quorum of the Board of Directors. A Director elected or appointed to fill a vacancy shall serve for the unexpired term of his predecessor in office and shall hold such office until his successor is duly appointed or elected and shall qualify.

Section 3.4  Removal of Directors. Any Director elected by the Members may be removed at any regular meeting or a special meeting of the Members called for that purpose, with or without cause, by Majority Approval of the Members. A successor may then and there be elected to fill the vacancy thus created.

Section 3.5  Resignations. Any Director may resign effective upon giving written notice to the President, the Secretary or the Board, unless the notice specifies a later time for the effectiveness of such resignation. If the resignation of a Director is effective at a future time, a successor may be elected by the Board to take office when the resignation becomes effective. A Director shall be deemed to have automatically resigned at such time as the Director's membership in the Association has terminated.

Section 3.6  Committees. The Board of Directors may appoint committees from time to time as it may deem necessary or appropriate in carrying out the purposes and functions of the Association. Such Committees shall perform the duties provided for in the Board's resolutions in which the Committees are created.

Section 3.7  Compensation. No Director shall receive compensation for any service he or she may render to or on behalf of the Association as a Director, provided, however, that nothing contained herein shall be construed to preclude any Director of the Association from serving the Association as agent, counselor in any capacity other than as Director, and receiving compensation therefor, and it shall not be construed to preclude Directors from being reimbursed for their actual expenses incurred in the performance of their duties.

Section 3.8  Fidelity Bonds. The Board of Directors may obtain fidelity bonds for all Directors, Officers, employees of the Association or any other person handling or responsible for Association funds. The premiums for such bonds shall constitute a common expense of the Association.

Section 3.9  Managing Agent. The Board of Directors may employ for the Association a professional manager or Managing Agent, for such compensation as may be established by the
Board, to exercise such powers and perform such duties and services as the Board shall authorize, including but not limited to, the powers and duties listed in Section 3.11 hereof. The employment of a Managing Agent shall not relieve the Board of Directors from its responsibilities as provided herein or as provided in the Master Deed.

Section 3.10 Personal Liability of Directors. The personal liability of each Director of the Association for monetary damages for breach of fiduciary duty as a Director shall be eliminated to the full extent permitted by Section 48-52-102(b)(3) of the Tennessee Code Annotated.

Section 3.11 Powers and Duties. All corporate powers of the Association shall be exercised by or under the authority of the Board of Directors, which is charged with the responsibility of conducting, managing and controlling all business and affairs of the Association. Without limiting the generality of the powers and duties delegated to the Board by the Charter, Master Deed, and as otherwise provided in these By-laws, the Board shall have the following additional powers and duties:

(a) Elect and appoint Officers of the Association and to delegate such authority to them as the Board shall deem necessary and appropriate to serve the purposes of the Association.

(b) Hire, employ, appoint and discharge all employees, agents and contractors to perform services for the Association consistent with its purposes as provided for in the Charter, Master Deed or these By-laws, and to fix the compensation and fees for the performance of their services.

(c) Adopt and publish Rules which may, among other matters, govern the use of the Common Elements and any property, facilities and improvements of the Association, as well as the personal conduct of the Members and their tenants, guests, invitees and licensees, which Rules may establish sanctions and fines for infractions thereof.

(d) Establish the principal office of the Association within the Property or such other place which is as close thereto as possible for the transaction of the Association’s business.

(e) Cause to be kept a complete record of all of its acts and business affairs.

(f) Supervise all Officers, employees, agents and contractors of the Association, and see that their duties are properly performed.

(g) Issue to any Unit Owner upon demand a certificate in writing signed by an Officer or authorized agent of the Association setting forth whether said assessments, or any portion thereof, levied against the Unit have been paid. Such certificate shall be conclusive evidence of payment of any Assessments stated to have been paid.
(h) Review, on at least a quarterly basis, the latest account statements prepared by the financial institutions where the Association has its operating and reserve accounts.

(i) Review, on at least a quarterly basis, an income and expense statement for the Association's operating and reserve accounts.

(j) Review, on at least a quarterly basis, the current years actual operating and reserve revenues and expenses compared to the current year's budget

(k) Perform all other duties as may later be required by the Members, or by the Master Deed, these By-laws or the laws of the State of Tennessee, as the same may be amended from time to time.

Section 3.12 Association Rules: Enforcement.

(a) The following provisions shall govern the creation and adoption of the Association's Rules. All Rules proposed by the Board shall be consistent with and in furtherance of existing law, the Master Deed, the Charter and these Bylaws and may include the establishment of a system of fines and penalties. The proposed rules and regulations receiving the vote or written assent of a majority of the members of the Board shall take effect as the Association Rules.

(b) The specific fines and penalties for the first breach or violation of the Association's Rules may include, without limitation, suspensions, for a period not to exceed sixty (60) days, of (i) the use or enjoyment of any facilities within the Common Elements of the Property; (ii) any services the Association may be providing to the Unit or Unit Owner, and/or (iii) the right to vote as a Member of the Association. The Board may also impose and assess a monetary fine not to exceed the amount of the then applicable one month Regular Assessment. Subsequent breaches or violations of the Association's Rules by a Member or a Member's violation or breach of the Master Deed or these By-laws may include suspensions of one or more of the above stated membership rights for a period not to exceed one hundred fifty (150) days, a monetary fine not to exceed twice the then applicable one month Regular Assessment, or both.

(c) Any Rules adopted pursuant to this Section may provide such procedural safeguards as the Board deems appropriate.

Section 3.13 Suspension of Membership. Notwithstanding the provisions hereabove, the voting rights, the use or enjoyment of the Common Elements or of the facilities therein by a Member or his family, guests or tenants, and any services the Association may be providing to any Member may be suspended by action of the Board for any period during which any assessment, or any portion thereof, levied against his Unit remains unpaid and delinquent. In the event of such suspension, the Member's rights and privileges shall be automatically restored upon his payment in full of such delinquent assessments, including interest and late charges.

Section 3.14 Abatement and Enjoining of Violations. In addition to any other rights set forth in these By-laws, the Association, through the Board, and any Member shall have the right to prosecute any proceedings at law or in equity against any person or persons for the breach or
violation of any of the provisions of these By-laws or of the Master Deed and to obtain relief by way of injunction, money damages, or both. In the event that any provision of these By-laws shall be held invalid by judgment or court order, it shall not be deemed to affect any of the other provisions herein, which shall continue and remain in full force and effect. In the event that any provision hereof shall be declared void by a court of competent jurisdiction by reason of the period of time for which the same shall be effective, then the term of such provisions shall be reduced by the maximum period of time allowed by the laws of the State of Tennessee.

ARTICLE IV
Meetings of the Board of Directors

Section 4.1 Organization Meeting. Immediately following each annual meeting of Members, the Board shall hold a regular meeting for the purpose of organization, election of Officers, and the transaction of other business.

Section 4.2 Other Regular Meeting. Other regular meetings of the Board shall be held at least once every month at such time as may be fixed from time to time by resolution of the Board; provided, however, such meetings may be held less frequently than monthly (but not less frequently than every six months) if the Board determines by resolution that the business to be transacted by the Board does not justify monthly meetings. Should said meeting fall upon a legal holiday, then that meeting shall be held at the same time on the next day ensuing that is not a legal holiday.

Section 4.3 Place of Meeting. Regular and special meetings of the Board shall be held at any place within the Property which has been designated from time to time by resolution of the Board or by written consent of all members of the Board; provided, however, such meetings may be held outside the Property, but as close to the Property as reasonably possible, if the Board determines by resolution, or by such written consent, that a larger meeting room is required than exists within the Property.

Section 4.4 Notice of Meetings. Notice of each meeting of Directors, whether regular or special, shall be given to each Director. If such notice is given either by personally delivering written notice to a Director or by personally telephoning such Director, it shall be so given at least three (3) days prior to the meeting (except in the case of emergency). If such notice is given by depositing a written notice in the United States mail, postage prepaid, directed to such Director at his residence or place of business, it shall be given at least five (5) days prior to the meeting (except in the case of emergency). Notice of all meetings shall state the place, date and hour thereof, but need not, unless otherwise required by statute, state the purpose or purposes thereof.

Section 4.5 Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the President or any two Directors.

Section 4.6 Telephone Meetings Permitted. Members of the Board may participate in a meeting of the Board by means of a conference telephone or similar communications equipment which enables all persons participating in the meeting to hear each other at the same time, and participation by such means shall constitute presence in person at such meeting.
Section 4.7 Adjournment. A majority of the Directors present, whether or not constituting a quorum, may adjourn any meeting to another time. If the meeting is adjourned for more than five (5) days, notice of any adjournment to another time or place shall be given prior to the time of the adjourned meeting to the Directors who were not present at the time of the adjournment.

Section 4.8 Waiver of Notice. Any Director may, at any time, waive notice of any meeting of the Board of Directors in writing, and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meeting of the Board shall constitute a waiver of notice by him of the time and place thereof unless he protests lack of notice prior to or at the commencement of the meeting. If a sufficient number of Directors are present at any meeting that constitutes a quorum of the Board and who have not protested lack of notice, any business may be transacted at such meeting. Business may be transacted and approved by the Board in the form of a written consent in lieu of a regular or special meeting provided all of the members of the Board shall have executed such written consent. All such waivers, consents or approvals shall be or made a part of the minutes of the meeting and filed with the corporate records.

Section 4.9 Quorum. A majority of the authorized number of Directors shall constitute a quorum for the transaction of business.

Section 4.10 Action Without Meeting. Any action required or permitted to be taken by the Board may be taken without a meeting if all members of the Board shall individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as a unanimous vote of such Directors. If the Board resolves to take any action by unanimous written consent, an explanation of the action taken shall be posted in a prominent place or places within the Common Elements promptly after the unanimous written consent or consents of all the members of the Board have been obtained.

Section 4.11 Voting. The Majority Approval of the Directors shall be required for any action by the Board of Directors, unless a different number expressly is required by law or by these By-laws.

Section 4.12 Presumption of Assent. A Director who is present at a meeting of the Board, or any committee thereof, shall be presumed to have concurred in any action taken at the meeting, unless his dissent to such action shall be entered in the minutes of the meeting or unless he shall submit his written dissent to the person acting as the Secretary of the meeting before the adjournment of the meeting or shall deliver such dissent personally or by certified mail to the Secretary of the Association promptly after the adjournment of the meeting. Background:

A. Developer has and is developing condominiums commonly known as The Market Street Loft Condominiums pursuant to that Master Deed recorded at Book 8446, Page 739, Register's Office of Hamilton County, Tennessee (the "Master Deed").

B. Developer desires to amend the Master Deed as more particularly set forth herein.

Amendment:

NOW THEREFORE, for and in consideration of the mutual benefits provided herein by this First Amendment, and for other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the parties hereto agree that the above recitals are true and correct and are herein incorporated, and further agree as follows:

1. Section 4(b), The Board: Developer as the Board, is hereby deleted in its entirety and replaced with the following:

"4(b) The Board: Developer as the Board. The Association shall be governed by the Board of Directors. Subject to the Act and this Master Deed, the Board shall have standing to act in a representative capacity on behalf of the Association, exercising all rights and powers of the Association without the vote of the Association. Developer shall exercise the sole and exclusive authority of the Board and the Association, including the authority to enforce and/or amend the provisions of this Master Deed, until the Developer has sold Units representing more than
eighty percent (80%) of the total Percentage Interests, unless the Developer transfers its authority to the Board at an earlier date."

2. The following language is hereby added to Section 6, Use of Limited and General Common Elements:

"Notwithstanding anything contained herein to the contrary, the Limited Common Elements on the roof of the Building, as shown on the Plat, shall be for the use of Residential Units only and the cost of repair, maintenance and replacement of such roof top Limited Common Elements shall be paid by Residential Unit Owners only. Commercial Unit Owners shall not have access to or the enjoyment of such roof top Limited Common Elements."

3. Section 19(b), Amendment by Developer, is hereby deleted in its entirety and replaced with the following:

"19(b) Amendment by Developer. Developer unilaterally may amend this Master Deed at any time without any additional vote or approval so long as Developer continues to own Units representing at least eighty percent (80%) of the Percentage Interests."

4. Exhibit "D", Bylaws of the Market Street Loft Condominium Owner's Association, Inc., Section 2.3, Initial Control of Association and Board by Developer: The last sentence of this Section is hereby deleted in its entirety and replaced with the following:

"Once Developer has sold Units representing more than eighty percent (80%) of the total Percentage Interests, then Developer shall commence transition of control of the Association and the Board as provided in Article III of these Bylaws."

5. Exhibit "D", Bylaws of the Market Street Loft Condominium Owner's Association, Inc., Section 3.1, Appointment or Election and Term of Office, is hereby deleted in its entirety and replaced with the following:

"Section 3.1 Appointment or Election and Term of Office. In accordance with the provisions of the Master Deed, Developer will control and act as, or will appoint a person or persons to control and act as, the Board of Directors of the Association until such time as Developer has sold Units representing more than eighty percent (80%) of the total Percentage Interests, unless the Developer transfers its authority to the Board at an earlier date. Within sixty (60) days of such, Developer shall call a special meeting of the Association to elect the first Board of Directors. Prior to the occurrence of Developer selling all Units representing more than eighty percent (80%) of the total Percentage Interests or Developer transferring its authority to the Board, Developer, at its option, may appoint Members to serve on the Board and may assign to such appointees and to itself such number votes on the Board as Developer
so desires, so long as the total number of votes assigned does not exceed five (5); any such appointees shall serve at the will of Developer until the election of the first Board. The Board of Directors shall consist of five (5) Directors, all of whom shall be natural persons. The Directors shall be elected by a Majority Approval of the Members of the Association; provided that, at all times, at least two Directors must be Owners of Residential Units and at least one Director must be the Owner of a Commercial Unit. The first Board of Directors elected shall serve until the first scheduled annual meeting of the Members. Thereafter, Directors shall be elected at the annual meeting of Members each year and shall hold office until the next annual meeting of Members, or until their successors have been elected and shall have qualified."
